SPACE ACADEMY HOLIDAY CLUB

Back to earth with a bump after a great a five-day Holiday Club held at Swanfield Chapel, Chichester, UK. Our fun theme was 'Space', so it was good to give astronaut Tim Peake a bit of competition! (Tim Peake was born in Chichester, West Sussex)

86 different children came along throughout the week, with an average of 60 children each day. It was encouraging to see them enthusiastically joining in the activities and listening to the Bible stories.

GLO TEAM:

We had a fantastic time with our team of students from the Tilsley Bible College in Motherwell Scotland. Eight great days of evangelism, activities and meetings!

(Ermal & Denisa from Albania, Carolyn & Sam from Wales, Sarah & Iain from Scotland)

Good to pass on some wisdom(!) to the team of students and to help them in their school assemblies and their other upfront presentations!

FAMILY NEWS:

"Well... the manure has been stock piled and the trees have been bought. The spade is in the shed and the sun is shining, and I am REALLY looking forward to the fruit in the Summer and Autumn. I just need that little push to get off the sofa and go and do some digging and plant the things!! That's the allotment update but feeling a little like that with our ministry right now too. All the resources are there, the potential and the opportunity, I just need to get on with hard graft of getting the job done. Some of it involves time and energy, some prayer, some... just a bit of sustained effort. Please pray for motivation and the power of the Holy Spirit working in our lives."

Kathy is working hard in her GCSE courses and Arlo and I have had to attend parent's evenings and 'options' events intended to help him make decisions about next year's courses. Kathy is visiting a local college next week to see if she would like to do her A'levels there and life in general seems to be moving on apace. I have stepped down from my position as Community Governor at a local school after five years which has left me with a little more day and head space to fit in the myriad other tugs on my time. It feels a little like we are moving into a new stage of life and we are aware that we will need Gods infinite wisdom to make the best decisions, not just good ones. Many thanks for all your enveloping prayers. Penny"
