February to April 2019

Prayer focus and news from HAMPSHIRE

CRAFT NIGHT

Penny organises 'Ladies Craft Nights' several times a year at Duncan Road Church. Southampton. Hants.

These events are always great fun and provide an opportunity to deepen relationships within the church, as well as between local fellowships. They are also a great bridgebuilding activity with friends, neighbours, toddler group mums and those on the fringes of our Church families.

MOLDOVA MISSION

It was a privilege to return to Moldova back in November and to work with a team of 6 other evangelists on a preaching mission in the southern regions of the country. It was challenging and incredibly rewarding to share the gospel with such spiritually hungry people.

We mainly worked in pairs plus an interpreter, but with so many opportunities I often found myself setting off with just an interpreter! Most days we would speak at several house meetings and at the weekends we were also invited to be part of children's clubs, youth groups and Church services. It was a tremendous thrill to see people responding to the gospel at almost every meeting!

GSUS LIVE:

This Counties resource was the winner of the 2018 Premier Award for 'Best Use of Digital Media in Youth Work'.

It will be returning to Hampshire for the 2019 September/October term. Gordon will be organising the visit and spending time onboard with pupils.

FAMILY NEWS:

Penny writes; as you can see from the photo's Arlo has grown about a foot since last summer and is still going!! He continues to work hard and is applying to local colleges to do his A' levels starting in September. Kathy is still enthusiastic about her course and placements and has been offered a provisional place at Bristol University to study Occupational Therapy in the Autumn. We are very proud of her and she is excited and already collecting cooking equipment for her first foray into independence! Both Kathy and Arlo have taken on leadership responsibilities at our Sunday Explorers and at Friday Night Live, please pray for them as they develop their skills and gifts, please ask God to protect them spiritually as they face the pressures of living out their faith in our current social climate.

Thanks to a generous gift we were able to enjoy a few days in London just after Christmas and particularly enjoyed a tour of the British Museum led by the Christian Institute's Ben Virgo. It gave us a fascinating insight into some of the artefacts on display and how those related to the Biblical accounts, highly recommended! We really valued the time together as a family before we were hurled into 2019 with all it's uncertainty and change. Thank you again for your invaluable support and especially your prayers as we share our lives and faith with whoever God puts in front of us! May you know His rich blessing in 2019.
