November 2017 to January 2018

Prayer focus and news from HAMPSHIRE

## 'MOLDOVA'

I am looking forward to working in this little known country in late November.

Moldova is a small, land-locked republic between Romania and the Ukraine.

A busy programme of events has been planned, which include Sunday Church services and then four evangelistic house meetings per day. It will be a privilege to share the gospel among these people in their home gatherings.

The major denomination in Moldova is Eastern Orthodox Christianity

## 'GOOD NEWS' CAMP

With over a hundred Campers and Leaders onsite this year, we enjoyed a full and varied week of activities, crafts, sports, competitions at Lockerley Water Farm with plenty of fun and friendship!

Prayers were answered especially when unexpected situations arose, and it was good to see God at work through the teaching sessions and quiet times. Do pray for those who responded on Camp; that they will continue to grow in their faith!

## SCHOOL OPPORTUNITIES:

It's estimated that 95% of children and young people in England and Wales aren't part of a church. So we need to step out and engage with them where they are! Regular assemblies and occasional lessons help young people to learn Bible stories to see that Jesus is still very much relevant for their lives today! Please pray that everything I prepare is clear and helpful to this end.

## FAMILY NEWS:

Penny writes; *“As the memories of our summer activities have begun to fade over these last few weeks, it has been really encouraging to have had both review and planning meetings. It has reminded me that we are constantly building on our own and others previous work, but that it is God who connects it all seamlessly together in people’s lives to bring them closer to Himself. I am so glad He chooses us to do his work with Him, not just FOR Him! Please pray with us that we don’t try and operate under our own strength and wisdom but rely on the Lords power and guidance. We both get pretty tired at times!”*

*Kathy did well in her GCSEs and is thoroughly enjoying Itchen college and her triple HND course in Health and Social Care. She is excited about the Christian Union at the College and is encouraging others to come along and join in the challenging discussions they are having.*

*Arlo is working hard for his GCSEs and loves being more focussed on the subjects he enjoys. Please pray that he develops a robust faith as he battles with all sorts of issues during lessons and socially. Many thanks.”*
