October to December 2019

Prayer focus and news from HAMPSHIRE

THE NET

Reaching men for Christ through friendship, social events and more direct evangelistic events.

We value those men who have come along and supported this work for many years.

We are also encouraged that new people are also being brought along by a Christian friend.

These events are often the first or only contact with Christianity some of these men have.

PLEASE SIR WE WANT SOME MORE!

The contribution that local churches can make to school assemblies and acts of collective worship is highly valued by many schools. In December one of the junior schools I visit once a term asked me if I could go in every week! What a great opportunity to regularly share the message of Christ to 450 children! What a great challenge also to think of new ways to communicate unchanging truths!

Hawthorne Court is a Nursing Home that specialises in dementia care, they have also asked us to increase our visits and take a monthly service. Over the last few months we have really enjoyed getting to know the staff and residents by sharing in memorial services and more traditional worship services.

MOLDOVA:

In the last three years I have discovered this small, financially poor country to be sometimes weird, often quirky and quite, quite unique! This was my third visit to Moldova and our participation was just as varied and chaotic and full of surprises as previous visits. Working alongside local Pastors, the weekdays were filled with house meetings each lasting two hours, and often four meetings day! Christians opened their homes and invited along neighbours and friends to hear the gospel and enjoy some food and friendship. The team was grateful to our translators who were able to make sense of our English and translate it into Moldovan and Russian.

People always came, they listened well, and many responded to the gospel! Always a thrill to see folk make a public decision to follow Christ. It is always hard to analyse how successful a mission is, but time and eternity will tell. It is good to know that we shared the gospel with hundreds of people, and we saw many respond to the appeals to follow Christ. Please pray that, as those who responded are followed-up by local Pastors, they will have come to a real faith and that they will experience the truth of Colossians chapter 2 verses 6-7.

KEY TO LIFE:

We are looking forward to our first time hosting the Counties 'Key to Life' mobile unit. Key to Life tells the story of Jesus through a unique, interactive and immersive session. Using huge, floor to ceiling computer touch screens, participants can watch films; interact with games and quizzes; and take part in small group discussions. All this helps them explore what Christians believe and understand how the story of Jesus is key to Christianity.

FAMILY NEWS:

Thank you for all your prayers for us over 2019: as Arlo completed his GCSE's, Kathy started University and I struggled with exhaustion, we were conscious of being upheld by Jesus. Arlo is now thoroughly enjoying digging deeper into environmental issues and how society works in his A'level courses and balancing work, church and a girlfriend. Kathy is thriving at Bristol UWE and has settled well into a friendly Church (Grace Church, Downend) and the C.U. She has been particularly blessed to have a life-long Christian friend starting at UWE at the same time and they have been able to support and encourage each other. It is not always easy sharing a flat with seven non-Christians however and she would appreciate your continued prayers. I am adjusting to a slightly more pared down diary, but still struggling to get the balance right. Please pray that everything we do will be for His glory and honour and in His power. Lv P
